Dear Scott,

On behalf of the University of Northern Iowa Foundation, my deepest thanks for your recent gift of \$3,500 for the Master Builders of Iowa Scholarship.

Last year, the average student debt at graduation was more than \$24,000. As a part of the *Imagine the Impact* Campaign, your scholarship contribution provides not only access for students to attend UNI, but it allows them to expand and continue their leadership talents through participation in university organizations and in educational and campus activities. Scholarship support like yours is crucial to ensuring that UNI remains a leader in higher education by providing students with opportunities that allow them to reach their highest potential.

On behalf of all current and future UNI students, thank you again for your generous support. A gift receipt has been sent for your records.

Best regards,
